Courtney,

I have been completely cooperative in transition. I have returned every single one of Bate's calls and have passed along every single request for information that I have received. As for my responses to clients, please let me know if you believe I have not helped because I have been nothing short of professional and forthright with every contact. Maybe we should discuss what my message should be to customers when I get requests.

I will send a list of strategic partners as soon as I get home. As for Virgin, my last communication was my last day in the office, December 4, when I both emailed and called Chris with no response.

Depending on my next career choice, I am still interested in continuing to work on specific projects in the future.

I am out today until about 300pm. Would you like to talk this afternoon?

Fred

When you left, we agreed that we might work together in the future. This was predicated of course on you helping us prior to your official departure. From the responses you are sending clients, it doesn't seem to be the case.

Can you please provide me with the contacts at our strategic partners so that we can follow up. And can

7/31/2007

you let me know your last interaction with Virgin?

Again, Steve and I were interested in hearing from you if you were interested in continuing to work on some specific accounts etc. but I am assuming, given your response, that this is now off the table?

I am sure you have a lot of great opportunities but it would be much appreciated if you could help us by returning Bates' calls.

Thanks, FF.

Courtney Nichols

Hey Fred,

We are trying to get a handle on the hotel partnerships. Will you send us your contacts at Wynn, Starwood, MGM and Four Seasons? Also, was Raj replaced at Starwood?

Thanks!

Bates

Fred,

Can you send us all of the contacts you were working with on the P & G deal? I only know about Harriet and wasn't involved after that.

Thanks.
